I want your eyes  
Ooh, I want your eyes  
Oh, so I can see it  
I want your eyes  
Ooh, I want your eyes  
Oh, oh, can you see it?

When you break this body down  
To components  
Wait, don't say, see what I'm made of

I see the light  
Oh, I see the light  
Oh, oh, can you see it?

I see the light  
Behind your eyes  
Oh, oh, can you see it?

When you break this body down  
To its component parts  
Don't wait, stay, see what I'm made of

Don't steal, steal  
Don't steal, don't steal  
Do what it takes, don't waste it

Don't steal, steal  
Don't steal, steal  
Do what you, don't take, wasted
