Suuns

You say how so
You take it
You say no I can't make it
Don't tell
Don't tell
Don't tell
Don't tell

When you go
It's broke you can't figure
Wonder how I can't make it
Don't tell
Don't tell
Don't tell
Don't tell

You could do everything
You, you, you everything
You could do everything
You, you, you
I wanna do it again

We say
I'll make it
You say no I can't make it
Don't tell
Don't tell
Don't tell
Don't tell
