

I've got a thought on my mind
I'm gonna keep it inside
I'm gonna lie to you

I've got a lot on my mind
But most of the time
I'm thinking about you

And if you throw me a line
And can you do me a favor?
Can you change this from minor to major?
Yeah

No, no, no, no, no, no, no, no, no
No, no, no, no way out

Yeah, you've heard this before
'Cause once you know
You can never unknow

No, no, no, no, no, no, no, no
No, no, no, no, no way out
No, no, no, no, no, no
No, no, no, no, no, no, no way out

Always on mind
I'm gonna leave it behind
I'm gonna leave it to you
