

## X-ALT

Suuns

One, two, upside down, make it stop, it falls on you  
One, two, upside down, when it stops, it falls on you  
Exalt to the sea, the one I know  
All it cannot be, to one I know  
Exalt to the sea, the one I know  
All it cannot be, to one I know

Do, do, upside down  
I do, I do

One, two, upside down, when it stops, it falls on you  
One, two, upside down, make it stop, it falls on you  
Exalt to the sea, the one I know  
All it cannot be, the one I know  
All it cannot be, the one I know  
Exalt to the sea, the one I know

Do, do, upside down  
I do, I do  
When you, do too  
One, two, upside down
