

Last Train from Mariupol

Suzanne Vega

There's a last train from Mariupol
Mariupol
Mariupol
Last train from Mariupol
See how the platform is heaving

Who's on that train from Mariupol
Mariupol
Mariupol
Who's on that train from Mariupol?
All of humanity fleeing

I heard God himself
Was on the last train from Mariupol
From Mariupol
God himself was on the last train
Frightened by all he was seeing

There's a last train from Mariupol
Mariupol
Mariupol
There's a last train from Mariupol
All of humanity grieving
