

Don't Tell Me Goodbye

Suzie McNeil

It's easy sometimes
To walk out of line
It's harder to get back what you lost (what you lost)
I know you're sad
Cuz you know what we had
Give me a chance to pay the cost
I'll do what I have to
I'll bear the cross

Tell me all the ways it makes you feel mixed up inside
Tell me all the times I broke your heart and made you
cry
Tell me that you hate me tell me that I ruined your
life
But please don't tell me good bye
Tell me goodbye
Tell me goodbye

I've been confused
Nearly thought I could lose
I was hiding my feelings under my sleeve
Can you try to forget
Everything I regret
I'm just a fool down on my knees
Say what you want
But just don't leave
Just don't leave

(Don't tell me goodbye)
Tell me all the ways it makes you feel mixed up inside
(Don't tell me goodbye)
Tell me all the times I broke your heart and made you
cry
(Don't tell me goodbye)
Tell me that you hate me tell me that I ruined your
life
But please don't tell me good bye
Tell me goodbye

Oh, I don't want to live in a world without you baby
And I'll do anything that it takes to see my love this
time
Tell me what I've got to do
Cuz I've got everything to lose

(Don't tell me goodbye)
Tell me all the ways it makes you feel mixed up inside
(Don't tell me goodbye)
Tell me all the times I broke your heart and made you
cry
(Don't tell me goodbye)
Tell me that you hate me tell me that I ruined your
life, oh
Tell me that it feels like I stabbed you in the back
with a knife
Tell me you'll forgive me
Tell me that I don't make it right

But please don't tell me goodbye
Don't tell me goodbye
Don't tell me goodbye
Goodbye
