

# Hopeless Romantic

Suzy Bogguss

What am I doin' here?  
I don't really know  
I'm sorry if I woke him up  
Maybe I should go  
I was only thinking that there still might be a way  
If I could your face again  
I might find some words to say  
Oh, I don't know why I act this way

I guess I'm just a hopeless romantic  
And I know that it's not right  
But I never really planned that I would be here tonight  
And I hope you understand it  
I had to take this one last chance  
I'm just a hopeless romantic  
In a hopeless romance

I know I'm being foolish  
I just go on home  
There's two cars in your driveway  
I guess your not alone  
No don't worry about me  
I'm stronger than I seem  
And come tomorrow morning  
This all might be a dream  
May'be I rely to much on dreams?

May'be I'm a hopeless romantic  
And I know that it's not right  
But I never really planned that I would be here tonight  
And I hope you understand it  
I had to take this one last chance  
I'm just a hopeless romantic  
In a hopeless romance

Yes I'm just a hopeless romantic  
And I know that it's not right  
But I never really planned that I would be here tonight  
And I hope you understand it  
I had to take this one last chance  
I'm just a hopeless romantic  
In a hopeless romance
