You are beautiful just as you were yesterday
No, you're more beautiful than you were yesterday
When I say something like this - You always
Change subjects pretending you didn't hear anything

I had really sweet dreams yesterday
I don't wanna tell you now
Because I'm too shy - And also it's known
Not very good to tell someone this kind of thing

Dream that I can never have again
That was really sweet
I think you are just like the dream
Dream that I get to keep thinking
About all day - That was really sweet
That's you

Lalalala hmm~
Lalalala hmm~

People say we're really cute couple
I know, she knows, actually I also think so

But sometimes I get worried about you
And then I feel sad alone

Hmm, you're telling a lie
With the look full of confidence
But that's so sweet to hear
That is

Dream, that I can never have again
That was really sweet
I think you are just like the dream
Dream that I get to keep thinking
About all day - That was really sweet
That's you

Well, I don't care
Even if you're a sweet liar
Well, I don't care
Cause I will make you believe

Dream When you look
At me just like that
I feel like you're so mine
Dream That makes me want to
Fall asleep again - Such a sweet dream
That's you
