

# All About You

Svala

I wish that  
I could find a way  
To make you see  
See things through my eyes  
My eyes  
Maybe you would understand  
Maybe baby then you'd realise  
And what you put me through  
No matter how I try  
You're never satisfied  
You take advantage of me  
And when I need your touch  
You never give that much  
That's not the way  
It should be

It's always  
All about you and the things  
That I can do for you  
Why can't you ever  
Think about me  
And what I need?  
I give you all of my love  
Apparently that's  
Not good enough  
I don't know any more  
I can do  
It's true baby it's always  
All about you

Sometimes I lie  
Awake at night and wonder  
Why you treat me  
Like you do  
Am I just a fool  
To think that  
You would ever  
Learn to give to me?  
The way I give to you  
It's driving me insane baby

You say you care for me  
But you're never there for me  
When I need you the most  
If you wanna be in my life  
You better find a way  
To make it right  
'Cause I can't live  
This way anymore

It's always  
All about you and the things  
That I can do for you  
Why can't you ever  
Think about me  
And what I need?  
I give you all of my love

Apparently that's  
Not good enough  
I don't know any more  
I can do  
It's true baby it's always  
All about you

I remember when  
We first fell in love  
Used to give me  
All your affection  
So concerned with  
Doing for me  
But now things  
Have changed baby  
I guess those days  
Are all gone

It's always  
All about you and the things  
That I can do for you  
Why can't you ever  
Think about me  
And what I need?  
I give you all of my love  
Apparently that's  
Not good enough  
I don't know any more  
I can do  
It's true baby it's always  
All about you
