

Sleepy Devils

Svartby

Icebound rivers and frozen air
Everything's still
Snowfall over the Svartby's
Dwellings

Icebound rivers and frozen air
Everything's still
Snowfall over the Svartby's
Dwellings

Curled under witch cauldrons
The fire imps slumber
Scum in the water dream, hugging
Teddy-salmons

Sleepy lil' devils
Sleepy lil' imps

Forest, everything veiled
With snow
Mushrooms and trees
Covered under white blankets

Snowy hills,
Dozing and grim
Slight frosty breeze over
The valleys

Sleepy lil' devils
Wait for the spring to come

Hush! Don't dare to wake
Sleeping imps
In their frozen cradles
