

Last Train To Chengdu

Švihadlo

Dont't give me any Hard sleeper
That would turn me into a damm creeper
I sit down on the train and the hours are going
The people are comming and the people are going
Turn on the light and let the good vibes flow
I am going to Chengdu, that is all I know
Take it on the rift, you
Better take it on the lala
Chengdu!Chengdu, the brocaded city
Don't mention the Hard seat Sir!
That would throw me off the beat father
Wake me up man, when we reach the station
Let me say hello to the nation
This is no joke, I tell you man
It is the land of the endangered Panda
Give me a Soft sleeper
Let me listen to my damm beeper
Run,run the Chinyman a come
Lord my god you better listen to his slang
"CHE CHE" That is thank you
"NY CHAO" How do you do
"WO AI NI" I love you
"MY FAN" That is rice you know
Run, run the Chinyman a come
Take it on the rift, you
Better take it on the lala
Chengdu! Chengdu, the brocaded city
