

Blood Promise

Swans

When silence falls
And light remains
And time is born
Beneath the Sun
I'll hide your name
Inside a word
And paint your eyes
With false perception
And I feel your mind
In everything
And every breath
Destroys a sound
And I never will follow
A false sensation
And I'll always believe
Your blood promise

Na na na
Na na
Na na na
Na na
Na na na
Na na
Na na na
Na na

And every breath
I stole from you
And I never will see
Your broken body
And you never have spoken
An unclear word
And I'll never betray
Your blood promise

Na na na na
Na na na
Na na na na
Na na na
Na na na na
Na na na
Na na na na
Na na na
