Swans

Anything you want
You can have anything

Take it all
Anything
Anything for you, anything you want
Get out, get out, get out, get out
Get out, get out, get out, get out
Get out, get out, get out, get out
Get out, get out, get out, get out

Meat or bone, come out
Meat or bone, come out
Meat or bone, come out
Get out, get out
Get out, get out
