

## Just a Little Boy (for Chester Burnett)

Swans

Now I sleep in the belly of woman  
And I sleep in the belly of man  
And I sleep in the belly of rhythm  
And I sleep in the belly of love  
I sleep in the belly of oceans  
I sleep in the belly of truth  
I sleep in the belly of kindness  
And I sleep in the belly of you

I'm just a little boy  
I'm just a little boy  
I'm not human  
I'm not human  
I need love!  
I need love!
