

Seal It Over

Swans

This is my home
Close it over
Weigh your heart
I can't see you, I can't see you

Take one step
Stop
Talk to talk
I can't see you

Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over

Watch your face
I can't see you

Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
Seal it over
