

# This Is Mine

Swans

This is mine  
I own it  
I own this thing  
I hate everything that I don't own

I own this  
I own this hole  
It's mine  
Get out of my hole  
It's mine  
It's mine

When you touch my things, you spoil them  
When things get dirty, I spit them out  
I own this  
I own this  
It's mine  
It's mine
