Playground

Sweater Beats

Spark up your dreams, get off your grind
That teenage state of mind
We're buzzing from the high
Well, I know the finest trees to climb
Swing right up to the sky
Like ET on his bike

Man, I got rocks in my shoes
Hey, we got nothing to lose, oh
We live the life that we choose

Come to the playground
I'm at the playground
Girl we could play around
Come to the playground

Razmatazz, sipping only razzy razz, fuck it
Even though my tongue's blue, I know that I got you
It's Super Mario, sorry I'm not sorry
Yo you're my second player though, left and right we're stereo

Pump up the jams, I wanna drive
And we got your parent's ride
A full tank of freedom for the night

Man, I got rocks in my shoes
Hey, we got nothing to lose, oh
We live the life that we choose
(Yes we do, yes we do)

Come to the playground
I'm at the playground
Girl we could play around
Come to the playground

Come to the playground
(Come on)
I'm at the playground
(I'm at the playground, I'm at the playground)
Girl we could play around
(Girl we could play around)
Come to the playground

Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah
