

# I Found U

Swedish House Mafia

Everybody wanna know  
Why I'm walking 'round with a big smile on my face  
Hey I'm happy and it shows  
Hey I'm back and I'm proud of the human race  
'Cause you know I've been down so long  
Never thought I'd ever feel this way again  
And everything was going wrong  
'Till you found me and you made me believe again

Oh, I found you  
Damn, I'm happy that I found you

I don't know what you did  
But what you did you can keep on doing it yeah  
I'm so happy I wanna fly  
Cos your love just keeps on taking me higher  
Don't you know I've been down so long (down so long)  
Never thought I'd ever feel this way again  
And everything was going wrong (going wrong)  
Til you found me and you make me believe again

Oh, I found you  
Damn, I'm happy that I found you

I found you
