

## Red String

Sweet Pill

Side by side, which one do you like?  
I think I'll pick based off what someone else says  
To think that I could choose myself, to think that I  
Side by side, which one do I like?

I'm not what you want  
I'm not what you want  
I'm not what you want

I am not what you want  
What you want is long gone  
I am not what you want  
Throw back what you caught

Red string of fate is tangling  
I'll gently pull on the thread  
Unravel all that's mangling  
Unclear thoughts in my head

I'm not what you want  
I'm not what you want  
I'm not what you want

I am not what you want  
What you want is long gone  
I am not what you want  
What you want is long gone  
I am not what you want  
Throw back what you caught  
I am not what you want

Red string of fate is tangling  
I'll gently pull on the thread  
Unravel all that's mangling  
Unclear thoughts in my head

You are so damn far  
The other end just dangling  
The other end just dead
