

Don't know if words could say  
But darling, I'll find a way  
To let you know what you meant to me  
Guess it was meant to be  
I hold you in my heart  
As life's most precious part

Oh darling  
I dream about you often my pretty darling  
I love the way you soften my life with your love  
Your precious love, ooh

I was living like half a man  
Then I couldn't love, but now I can  
You pick me up when I'm feeling sad  
More soul than I ever had  
Gonna love you every single night  
Cause I think you're too outta sight

Oh darling  
I dream about you often my pretty darling  
I love the way you soften my life with your love  
Your precious love, ooh

Gonna love you every single night, yes I will  
Cause I think you're too doggone outta sight

Oh darling  
I dream about you often my pretty darling  
I love the way you soften my life with your love  
Your precious love, ooh
