

# Pretending

Sweet Trip

Forget the times  
Weeks and days from long time ago  
That is what the pictures are for  
So that you can clear your mind from the past  
Go chase a dream  
Build it and do not set it free  
Build it for the whole world to see  
Know that there's a reason why: it's your heart

Know how to succeed  
The problem is time  
Better to say you want it all  
Not willing to wait  
'Cause we all have our due time

Pretty soon you're dead  
You can't pretend, you can't deny, you can't deny  
Pretty soon you're dead  
You can't pretend, you can't deny, you can't deny  
Pretty soon you're dead  
You can't pretend, you can't deny, you can't deny  
Pretty soon you're dead  
You can't pretend, you can't deny, you can't deny  
Pretty soon you're dead  
You can't pretend, you can't deny, you can't deny
