

Tiny Houses

Sweet Trip

Remedy, never see
Close your eyes, pause
Rest your mind, my sleepyhead
I'll warm you

Hold you tight, hold for life
Never let you go unloved
Tiny houses to escape
I'll follow you

Walk with me, blow the wind
Soar the leaves through the ground
Fall is flowing through your hair
I smile at you

What you see, never seen
Lips connected to the heart
Rest your eyes, my sleepyhead
I'll warm you

Sleepyhead, I dare say
You take my breath away
You take my breath away, ahh

Sleepyhead, I dare say
You take my breath away
You take my breath away
