

Tonight

Sweet Trip

Today
Today
Tonight feels like today
I will

I swear I will

Tonight
Tonight
We'll sweep the floors of time
I will

I swear I'll kiss you

Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
Tonight
Tonight
You won't remember
