

# Wandering Splendor

## Sweet Trip

All said  
When there's more to say  
Deaf is the receiver  
Thoughts held, dreams to be someday  
Such is the believer  
Fight to death a dreamer

Don't you ever wonder  
Why splendor doesn't wander  
Drop you where it found you last  
Hole in the sand

All done  
Time will never come  
Time is a deceiver  
[?] in a moving train  
[?] dreamer

Did you ever wonder  
Why splendor never wandered  
Left you where it found you last  
Broken and thrashed
