

Oh Yeah!

Sweet

You call me a lair
You call me a thief
Said i stole your love
You still got to believe
You need me honey
More every day
I wouldn't have it any other way
Oh Yeah !
Oh Yeah !
Oh Yeah !
Your indiscretions
Your point of view
You try to close every door after you
I saw you coming
So don't turn away
You know i wasn't born yesterday
Oh Yeah !
Oh Yeah !
Oh Yeah !
Every moment say i'm gonna leave you
Give me a reason i should stay with you
You call me a lair
Call me a thief
Didn't steal you love i got my belief
Oh Yeah !
Oh Yeah !
Oh Yeah !
