

# X-Ray Spec's

Sweet

Well I don't need any dirty pictures  
Watching films in a sleazy dive  
I get no kicks out watching blue films  
You know that I rather see it live

You know it really turns me on  
It won't be long before I come  
And honey I ain't talking about sex

I'm wearing X-Ray Specs  
And I'm having you in view  
I'm wearing X-Ray Specs  
And I'm watching you  
And I'm watching  
Yeah I'm watching  
I'm wearing X-Ray Specs

I love the way that you do your makeup  
I love the way that you do your hair  
But I don't care what you might be wearing  
Cause for me you are dressed in air

You know it really turns me on  
It won't be long before I come  
And honey I ain't talking about sex

I'm wearing X-Ray Specs  
And I'm having you in view  
I'm wearing X-Ray Specs  
And I'm watching you  
And I'm watching  
Yeah I'm watching  
I'm wearing X-Ray Specs

I'm watching you, I'm wearing X-Ray Specs  
I'm watching you and I'm watching  
Yeah I'm watching

You know it really turns me on  
It won't be long before I come  
And honey I ain't talking about sex

I'm wearing X-Ray Specs  
And I'm having you in view  
I'm wearing X-Ray Specs  
And I'm watching you  
I'm wearing X-Ray Specs  
And I'm having you in view  
I'm wearing X-Ray Specs  
And I'm watching you  
I'm wearing X-Ray Specs  
And I'm having you in view  
I'm wearing X-Ray Specs  
And I'm watching you...
