

Far Away

Sweetbox

Here we are now
Sleeping in the same bed that we don't share
Walking in the same room to breathe different air
Excuse me but I don't think that I know you
And at night
I walk around and think of you and your old shirt
I'm tired of trying to drink away all the hurt
'cause when I lose myself I just find you
You're so far away
You're so far away
You're so far away
I need you to say
I love you
Oh God
I swear I'd rather have you scream or cry
Than have to look at your cold, quiet eyes
How can I be lonely right by your side?
You're so far away
You're so far away
You're so far away
I need you to say
I love you
Yeah yeah, yeah yeah
Yeah yeah, yeah yeah (I love you)
Yeah yeah, yeah yeah (I love you)
Ohhhhhhh
So far
Know that I miss you
I need you to say
I love you
But you're so far away
You're so far away, yeah
You're so far away
I need you to say
I love you
I love you
I love you...
