

One More Night

Sweethearts Of The Rodeo

One more night the stars are in sight
But tonight I'm as lonesome as can be
Oh the moon is shining bright lightning everything inside
But tonight no light will shine on me.

Oh, it's shamefull and it's sad I lost the only pal I had
I just could not be what he wanted me to be
I will turn my head up high to that dark and rolling sky
But tonight no light will shine on me.

I was so mistaken
When I thought that he'd be true
Yes, and I had no idea
What a man in love would do.

One more night I will wait for the light
While the wind blows high above the trees
Oh but I miss my darling so I didn't mean to see him go
For tonight no light will shine on me.

I was so mistaken
When I thought that he'd be true
Yes, and I had no idea
What a man in love would do.

One more night I will wait for the light
While the wind blows high above the trees
Oh but I miss my darling so I didn't mean to see him go
For tonight no light will shine on me.

For tonight no light will shine on me...
