

So you seek to destroy  
You got it in your hands  
Can you help us?  
Can you understand?

So you are yourself  
So you are something  
Everything I've seen  
It doesn't change a thing

Sometimes it comes to times and  
Sometimes it's over  
Sometimes I understand that  
Is our time over?

So you seek to destroy  
This has all been planned  
Can you help us?

Can you understand?

So you are yourself  
And that is something  
Everything I've seen  
It doesn't change a thing

Sometimes it comes to times and  
Sometimes it's over  
Sometimes I understand that  
Is our time over?

Dressed and sitting in the room  
Standing figure in the door  
You claim me as your right  
Am I here or just denied?
