

Juggernaut Rides

Swervedriver

I don't care what you say
I'm gonna do it anyway
I don't care how it stands
It's all in my hands
Did you ever court love? she said
Honey heaven's above we've all caught it too
Did you feel your whole world cave in? She said
Nobody's savin' roses, only thorns for you
Did you ever feel so removed?
So that you couldn't move?
Don't wanna worry anyway
There was no more we could do today
Today
I don't care what you say
I'm gonna do it anyway
I don't care how it stands
You see my juggernaut rides the sands
Only thorns for you
So removed
