Swim Deep

One, two, three, four

It's time to wake up, isn't it?
'Cause yeah I've been away, just visiting
I've had my hopes up, baby
When I was under
I got my hopes up lately
When I was under

Yeah

There's nothing left
But time in the world
A second guess
Looks fine to me, girl
I just wanna know

Was it a day?
Or was it forever?
'Cause I've found the place
The sun shines forever

Sweet dreams until you wake up
Eyes closed with visions you make up
Oh I had my hopes up, baby
When I was under
I've had my hopes up, Daisy
When I was under

Yeah

There's nothing left
But time in the world
A second guess
Looks fine to me, girl
I just wanna know

Was it a day?
Or was it forever?
'Cause I've found the place
The sun shines forever

Was it a day?
Or was it forever?
'Cause I've found the place
The sun shines forever

Shines forever

I've found the place
The sun shines forever
