

Tell me when it's over
I will begin pulling the boards from my front door
Once it is safer then
I'll show my face again
Yeah, I want you closer
I've been livin' just like a ghost for the most part
I'm feeling dissonant
And you're indifferent
But you're still not sure
Yeah, you're still not sure
Let me make it easier
You don't have to call
You don't have to say, "I love you" again
If you want a love that's easy
Then I would rather have nothing
Maybe when we're older it'll sink in
'Cause heaven knows
This ain't blowin' over anytime too fast
But everything will pass
Yeah, I'm getting bolder with my thinking
You've got me wrong for so long
I can't even turn my back
Without you falling off track
But you're still not sure
I know you're still not sure
So let me make it easier
You don't have to call
You don't have to say, "I love you" again
If you want a love that's easy
Then I would rather have nothing
You don't have to call
You don't have to say, "I love you" again
If you want a love that's easy
Then I would rather have nothing
Never been so clear as now
Never been so clear as now
Never been so clear as now
Never been so clear as now
So if you're still not sure
If you're still not sure
Let me make it easier
