

Somewhere Deep in the Night

Swing Out Sister

I don't care what you say
I don't know what you know
The look of love may come and go
The world is wide
I'm gonna take the things that life has to give
Now I know there's a place we can live
Somewhere deep in the night
We've got nothing to lose
We've got time on your side
Let's take a magic carpet ride
Come live with me
We'll be the people we once dreamed we could be
See the things we've been longing to see
Somewhere deep in the night

I don't know if it's right
I don't care if it's wrong
Let's take this chance before it's gone
The world is wide
We're gonna take the things that life has to give
Now I know there's a place we can live
Somewhere deep in the night
Let me take you there
Somewhere deep in the night
