# Everything

**Switch Disco**

I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and every
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and everything
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and every
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and everything

I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

All my life I've been waiting for love
Fell for you, now I know I'm enough
Now I don't need nobody here to tell me
No, but that don't mean that I don't need you, yeah

Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and every
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and everything

I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

It feels so wrong to think of another
It ain't been long but I've fallen so deep
Now I don't need nobody here to tell me, no

But that don't mean that I don't need you, yeah

I love you, oh, oh, oh
I love you, oh, oh, oh
I love you, oh, oh, oh
Everywhere and everything
I love you, oh, oh, oh
I love you, oh, oh, oh
I love you, oh, oh, oh
Everywhere and everything

Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and every
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and everything

I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you
I love you always forever
Near and far, closer together
Everywhere, I will be with you
Everything, I will do for you

Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and every
Say you love me, love me forever
Never stop, down for whatever
Near and far and always
And everywhere and everything
