Symphony

Sometimes it's hard to breathe
All these thoughts they shout at me
Try to bring me to my knees
And it's overwhelming

Darkness echoes all around
Feels like everything is crashing down
Still I know where my hope is found
And it's only you and ooh-ooh

You say you're working everything for my good and ooh-ooh
I believe every word

'Cause even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos
You are writing a symphony
A symphony

And even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos
You are writing a symphony
A symphony, oh

Tune my heart to your beat
Let me be your melody
Even when I cannot see
But you orchestrate it

Even when the dark surrounds
You'll never let me drown
I know that my hope is found
In the name of Jesus

Ooh-ooh
You say you're working everything for my good
And ooh-ooh
I believe every word

'Cause even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos
You are writing a symphony
A symphony

And even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos

You are writing a symphony
A symphony, oh

Yo, I wanna truly know
If you compose beautiful
Music, though
From all my unruly notes
Distance is distant, it's movin' close

Now I see, erase the scales from my eyes
Then play the scale of my life
Chaos played off with a chord in accord
With a source prevailing through strife and

I've tasted suffering
I've been embraced by the painful buffering
I've been bound by doubts so loud right now
But a melody is made when you play these rusty keys

So we all gotta get pressed
Tuned up like instruments
But I know
All of life's tempo is set
Whenever we remember this

That even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos
You are writing a symphony
A symphony

And even in the madness
There is peace
Drownin' out the voices
All around me
Through all of this chaos
You are writing a symphony
A symphony, oh

Ooh-oh-oh, ooh-oh-oh, ooh-oh-oh, a symphony
Ooh-oh-oh, ooh-oh-oh, ooh-oh-oh, a symphony
Ooh-oh-oh, ooh-oh-oh, ooh-oh-oh, a symphony
Ooh-oh-oh, ooh-oh-oh, ooh-oh-oh, a symphony
