I don't feel good I don't sound good I don't look good I wish I was right

I don't feel good I don't sound good I don't look good I wish I was right

I watch you sleep Away the time I watch you sleep Sleep tight

Am I a little liar Hiding below your bed Am I a little liar Wish I was right

Am I a little liar Laying below your bed

Am I a little liar Wish I was right

I watch you sleep Away the time I watch you sleep Sleep tight

I watch you sleep Away the time I watch you sleep Sleep tight

Look at my bricks,
My bricks I am laying
Down, down, down,

Down, down, down,
You'll fall
Down, down, down,...
