i will not believe this is killing me face to face but still i
cant concieve and its all coming down to fast to ignore and my
body aches i wanna feel no more hate me for what i have destroy
ed but i fail to see when everything comes crashing down on me
lay down beside me under my skin - letting go until i release a
ll these scars left behind me so how could you take this from m
e its seems your out of reach but i fail to see when everything
comes crashing down on me lay down beside me under my skin - l
etting go lay down beside me under my skin - losing control und
er my skin im losing control... i will be free... lay down besi
