

# Easier Than Love

Switchfoot

Ah La La La La La La,  
Ah La La La La La La

Sex is currency  
She sells cars,  
She sells magazines  
Addictive bittersweet, clap your hands,  
with the hopeless nicotines

Everyone's a lost romantic,  
Since our love became a kissing show  
Everyone's a Casanova,  
Come and pass me the mistletoe

Everyone's been scared to death of dying here alone

She is easier than love  
Is easier than life  
It's easier to fake and smile and bribe

It's easier to leave  
It's easier to lie  
It's harder to face ourselves at night  
Feeling alone,  
What have we done?  
What is the monster we've become?

Where is my soul?

Numb

Sex is industry,  
The CEO, of corporate policy  
Skin-deep ministry,  
Suburban youth, hail your so-called liberty

Every advertising antic,  
Our banner waves with a neon glow  
War and love become pedantic,  
We wage love with a mistletoe

Everyone's been scared to death of dying here alone

She is easier than love  
Is easier than life  
It's easier to fake and smile and bribe

It's easier to leave  
It's easier to lie  
It's harder to face ourselves at night  
Feeling alone,  
What have we done?  
What is the monster we've become?

Where is my soul?

Ah, la, la, la, la,

(Yeah!)

La la la la la la la,

La, la, la, la, oh,

(Yeah!)

La, la, la, la, no!

It's easier to love,  
It's easier to love

It's easier to love,  
It's easier to love

She is easier than love,  
It's easier to love

Everyone's been scared to death of,  
Everyone's been scared to death of,  
Everyone's been scared to death of dying here alone,  
alone

Sex is easier than love,  
It's easier than love,  
It's easier to fake and smile and brag

It's easier to leave,  
It's easier to lie,  
It's harder to face ourselves at night  
Feeling alone,  
What have we done?  
What is the monster we've become?

Where is my soul? (Where is my?)  
Where is my soul?

Ah, la, la, la, la, la, la, la,

La, la, la, la, la, la,  
La, la, la, la, no!

La, la, la, la, oh
