

# Innocence Again

Switchfoot

Do you remember when  
You were way back then  
You held the world inside your hands  
When you told me love  
Was the strongest stuff  
Your strength was innocence

But, oh man, the signs of the times are omens  
You're starting the day in  
No man's land again

Who are you gonna be?  
When you're on your knees  
Who do you believe?  
Oh-oh-oh fear is a lonely man  
You've been given innocence  
You've been given innocence again

You should know by now  
That your darkest hour  
Is when your broken heart goes down  
It's a bitter end  
When the sweet begins  
Grace is sufficiency

But, oh dear, we'll never deserve it  
No dear, we never could earn it  
Now, here, the choice is yours

Who are you gonna be?  
When you're on your knees  
Who do you believe?  
Oh-oh-oh fear is a lonely man  
You've been given innocence  
You've been given innocence again

Grace is high and low  
Grace is high and low  
Grace is high and low  
We'll never be the same

Who are you gonna be?  
When you're on your knees  
Who do you believe?  
Oh-oh-oh fear is a lonely man  
You've been given innocence  
You've been given innocence again

You've been given innocence, innocence, innocence  
Who are you gonna be?  
And who are you gonna be?  
And who are you gonna be?  
You've been given innocence
