

Oh! Gravity

Switchfoot

There's a fracture in the color bar
In the backseat of a parked car
By the liquor store where the streetlight
Keep you company 'til the next night

In the same town, there's the same scar
In the same glow of the liquor store
By the freeway, where the headlight
Keep her company 'til the next night

Oh! Gravity
Why can't we seem to keep it together?
Sons of my enemies
Why can't we seem to keep it together?

In the back room of the Pentagon
There's a thin man with a line drawn
With a red jaw and a red bite
Watch the headline on the next night

Oh! Gravity
Why can't we seem to keep it together?
Sons of my enemies
Why can't we seem to keep it together?

Why this tragedy?
Why can't we seem to keep it together?
Oh! Gravity
Why can't we seem to keep it together now?

In the fallout, the fallout
We found out the hype won't get you through
Connected, connected
I meant it, the hype won't get you through
Through

Oh! Gravity
Why can't we seem to keep it together?
Sons of my enemies
Why can't we seem to put it together?

Why this tragedy?
Why can't we seem to put it together?
Oh! Gravity
Why can't we seem to keep it together now?

Let's put it together
