

## Something more

Switchfoot

Augustine just woke up with a broken heart  
All this time he's never been awake before  
At 31 his whole world is a question mark  
All this time he's never been awake before

Watching dreams that he once had  
Feed the flame inside his head  
In a quiet desperation of the emptiness  
He says

Chorus:

"Theres gotta be something more  
Than what I'm living for  
I'm crying out to you" (2x)

Augustine  
All his fears keeping falling out  
All this time he's never been awake before  
Finding out his old dreams aren't panning out  
All this time he's never been awake before

But he's mad to be alive  
And he's dying to be met  
In a quiet desperation of the emptiness  
He says

Chorus

Something more

Hey, I give it all away  
Nothing I was holding back remains  
Hey, I give it all away  
Looking for the grace of God today

Chorus (2x)
