

You

Switchfoot

Am **F** **C** **G**
There's always something in the way
Am **F** **C** **G**
There's always something getting through
 Am **F**
But it's not me
 C **F**
It's You
 C **G**
It's You

Sometimes ignorance rings true
Hope is not in what I know
It's not in me me
It's in You

Am **F**
It's all I know
Am **F**
It's all I know
Am **F**
It's all I know
