

Bad Cop

SWMRS

Reaching for his gun
When his aim was just to stun
But his stun gun is yellow and his pistol's black

Police brutality and battery
Yeah, his track record ain't too flattering
To top it off he killed a man, not too far back

Let's play a little game
Let me take your life away
No I ain't insane I'm just a
A bad cop

He's got no mindset, just mentality
That his antics are reality
One hand on his gun, the other down his pants

Police brutality and battery
Yeah, his track record ain't too flattering
To top it off he killed a man, not too far back

Let's play a little game
Let me take your life away
No I ain't insane I'm just a
A bad cop

Let's play a little game
