

Do it all by yourself

You walk too fast for me  
I need to walk at my own speed  
As soon as I can get it right  
Then it's DI, it's DIY

It's DIY

If I ever race again  
If I get the chance, well then  
There's only one you can rely  
Gotta DI, oh DIY

Gotta DIY

I don't need your help  
I can do it all by myself, yeah  
I don't need your help  
I can do it all by myself, yeah

I don't need your help  
I can do it all by my  
All by my—  
YEAH! Yeah, yeah, yeah

All by my SELF, yeah, yeah, yeah!

Do it all by yourself  
If I'm ever gonna stop  
And stair out at the mountain top  
All exhilarated, cuz I made it  
Oh, gotta DIY  
It's DIY

So, you gotta make the choice:  
Are you gonna make some noise?  
Start your own paradise  
Gotta DI, oh DIY  
It's DIY

I don't need your help  
I can do it all by myself, yeah  
I don't need your help  
I can do it all by my  
All by my—

YEAH! Yeah, yeah, yeah!  
All by my SELF, yeah, yeah!

Do it all by yourself
