

I'm on fire!
I'm the singer of a band
And we're called Ryder
And you've got to ride to understand
Are you riding?
Are you jumping on this train?
Coz there's no time to waste
So come along if you really believe

Desire

I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider

Are you telling lies to me?
Coz it's so hard to find the truth
In anything that's good these days
When it's no game and all talk
All gas and no spark
Just sex but no fuck
If you wanna ride baby you're in luck

Desire

I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider
And I'm getting higher and higher
I'm a rider she's a rider
And I'm getting higher and higher
And I'm getting higher and higher

I'm a r-r-r-rider
I'm a r-r-r-rider
I'm a r-r-r-rider
And I'm getting higher and higher!
And I'm getting higher and higher!
And I'm getting higher and higher!
And I'm getting higher and higher!
And I'm getting higher and higher!
And I'm getting higher and higher!
