

This tape is about one woman in particular

I ain't never lied to my girl in my life  
 But I can't lie, got a girl on the side  
 I can't keep it low, I ain't tryna keep it quiet  
 One is my girl and the other is my wife  
 I know you wonder where my head at  
 But I got it in the bag, you can bet that  
 Uh, wife never hit me with the neck snap  
 'Cause she found a text from my girl with the eggplant (Woo)  
 'Cause she the one that text that (Yeah)  
 So a peach emoji is what I text back  
 Then she sent me somethin' that I can't rap  
 I said I'd be on my way ASAP  
 I done hit a lick, I done hit a lick (Lick)  
 Can't wait to get home like I did a bid (Bid)  
 I got a one-on-one, that's a win (Win-win)  
 Plus another one, that's a twin (Twin)  
 It's cool if you don't understand  
 How I need two and I'm a one-woman man  
 A one-woman man never gotta cheat, though  
 When he know that two-for-one is the cheat code (One)  
 Uh, I got a wife and a girlfriend (Yeah)  
 It's a two for one, a ten-on-ten  
 Uh, I got a girlfriend and a wife  
 That mean she down the aisle and she down to ride

Where did I get you from?  
 I fell in love when I laid eyes on ya  
 We makin' love when I lay it down on ya  
 I told my girl that my woman's so loyal  
 She said, "You won, you got two-for-one"

My wife asked for a leader who would treat her  
 Like the queen of the free world, give her feet rubs  
 Girl asked for a backrub, then she backed up  
 I'm like, "Ooh, girl, why you gotta-gotta act up"  
 I could never leave a seed and both of them my BM  
 Night-night if you tryna slide by PM to my DM  
 My wife certified black girl magic  
 Girlfriend, on the other hand, that girl ratchet, uh  
 Yeah, I told my girl we could chill (Chill)  
 I told my wife I'd pay the bills (Bills)  
 Uh, I told my girl she was gorgeous (Woo)

Yeah, I told my wife I'd pay the mortgage, uh  
Both said, "You speakin' my language"  
For any other man, this'd be dangerous  
But for me, it's the best of both worlds  
End of the night, I'll be next to both girls, ooh

I ain't gotta flex, I ain't gotta flex (Ooh, yeah)  
Girl the only one, I ain't got a next (Ooh, yeah)  
Wife the only one, I ain't got a ex (Ooh, yeah)  
That's a lot of sex, oh my God, I'm blessed (Ooh, yeah)
