

Another Win

Swoope

Oh, we up-up-up-up-up again
Oh, it's us-us-us-us-us again
Yeah
Swoope, there it is
Brrt!
Wooh!

Yeah, I don't understand what you expect from us (What you expect)
We don't play no games, we just level up (Level up)
It's all part of the plan how He blessing us (Bless, bless)
Ayy, we don't play no games we just level up, ayy

Oh, we up-up-up-up-up again (Oh, we up)
Oh, it's us-us-us-us-us again (Oh, what's up)
What's that? Oh snap, that's another win (Yuh, yuh)
Oh, we up-up-up-up-up again (Wooh)

Uh, oh we in the game huh
Uh, oh it's really game time (What's up)
Uh, calling on the Name, huh (Yuh, yuh)
Uh, oh it's really game time

Yeah, we gon' get done what we made to do (Made to do)
It's cool if you don't, boy, we paid our dues (Paid dues)
Married to the winning yeah, we said I do's (Winning, winning)
They be taking nails we just taking queues (Oh, I see you)
Still with my dogs boy I'm taking queues (Hoo, hoo)
Still with my squad when they hate the crew (What's up, what's up)
Still with my God when they hate the truth (Jesus, Jesus)
How you don't get it, yeah take a clue
I was made to move in these blessings on the horizon
Walk worthy of the call
Give you bars, call me Verizon
Dripping holy water on y'all, call me Poseidon
Go read the Greek like Poseidon
You'll find the real God of the sea that made the waters be quiet
And no I'm not a god, I'm the in order oh beside Him
Royce Da 5'9" and beside him
Dyin', now made alive with a line with I AM that I am rewinding, run it back
KB they ain't heard the last single, I'ma double back
Screaming "I'm so free got no chains on me, oh"
God the OG got Your name on me, oh
They don't know me, cool, Your fame only (Ooh)
Black sin, red blood, white soul, no stain on me
Game over

Oh, we up-up-up-up-up again (Oh, we up)
Oh, it's us-us-us-us-us again (Oh, what's up)
What's that? Oh snap, that's another win (Yuh, yuh)
Oh, we up-up-up-up-up again (Wooh)

I don't understand what you expect from us (What you expect)
We don't play no games, we just level up (Level up)
It's part of the plan how He blessing us (True, K to the second letter) (Bless, bless)
Ayy, we don't play no games we just level up, ayy (Wooh)

Yeah, yeah
Yeah, KB need some more
Uh, this ain't no Dior
We're Christian to the floor, yeah
Yeah, KB with the jobs
Companions with my cause
I'm John Wick for my dogs
Ayy, I'm too aggressive
Keep it cool collected
And the crew fluorescent
Homie you can test it
Never do the record unless the truth's reflected
Still move the message
With a few connections, uh
No matter who's elected?
No new directions
Who you depressed with?
Who can test to the King of the Jews is cheffin'
Got L's on the grill like they do to Lexus

We choose the letters where the hue is better
True to Texas red, that's the bluest message
Who woulda guessed it all tongues spew confession
Knees bow down like beef in Houston, Texas
The crews obsessed with His future blessings
So we share His password like we viewing Netflix
And when we view in heaven when the Lion of Judah exists (K to the second letter)

See Michelle, that's my type, yeah
Obama-like, yeah
The type of wife, yeah, I'm married twice
My dog a light, yeah, yeah, my dog a light, yeah
Don't get me hyped, I'm a sicko when real life, yeah
I'm in my element, in a room full of elephants, move to a eloquent
Call me the reverend, through the years I've been celibate, I had the medicine
This is a edifice, that was built by the veterans
Ain't seen no better than let 'em in
Throw them a letter, man
Homie, this varsity, you just a freshman

Oh, we up-up-up-up-up again
Oh, it's us-us-us-us-us again
