

## Catch 22

Swoope

Tell me what you need  
What you want from me?  
What you want from me?

Would you love me if I don't?  
Is you ridin' if you do?  
It's the only way to win  
I'm playin' by your rules  
Ain't no makin' you happy  
That's the honest truth  
Really hate to say this  
But we gon' turn into  
A catch 22  
We can't win or lose, we just  
It's a catch 22  
Can't win or lose, we just  
It's a catch 22

If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded  
If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded  
Nigga ain't faded, a nigga ain't faded  
You know a nigga ain't faded  
Nigga ain't faded, a nigga ain't faded  
You know a nigga ain't faded

Yeah, you don't really want me to stay around (Nah)  
But you gon' be mad if I leave though (Why?)  
Say you wanna know what I'm thinkin' bout (What's up?)  
But you gon' be mad if I speak though (Woah)  
Gotta play the hand you was dealt now (Yeah)  
So I understand if you can't deal (Woo)  
You want my attention to put you at ease  
But I'm really feelin' like we at a standstill  
I don't why or when, I don't know how to move  
Don't know if I can win, so much I got to lose  
You must be prosecute, so much you gotta prove  
Left me with no choice but you still want me to choose deck  
Oh, I get it, brain cosmetics  
Mine's made up so you ain't gotta listen  
It's your rules, I see you  
You the old school Aliyah, woo

Back, back, forth and forth, back, back, that's the door  
The fact that I ain't backed back, yeah, that's the Lord  
Yeah, let me know what you need though, I'm still for you  
Yeah, let me know what you want though, I'm still for you

If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded

If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded  
Nigga ain't faded, a nigga ain't faded  
You know a nigga ain't faded  
Nigga ain't faded, a nigga ain't faded  
You know a nigga ain't faded

Oh, you mad, you mad, yes, I'm aware of that  
But if you say you cool when I leave the room, don't text me a paragraph  
Like, "I just think it's funny how," then  
All the stuff you didn't say when  
We was dangerously in love, now  
You is sippin' lemonade, then  
You, high pitch with the vocal  
Me, I whisper a low blow  
You, eyes be on the wrong road  
We, high speed on the low road  
I wanna fight for you, I wanna try for you  
I wonder why we think winnin' arguments is worth losing on all we meant  
In the heat of the moment, while we become opponents  
Why we play the blame game when we got the same name?  
Same name, same name, same name, same name  
And we want the same thing  
You worth it, so I'ma go

Back, back, forth and forth, back, back, that's the door  
The fact that I ain't backed back, yeah, that's the Lord  
Yeah, let me know what you need though, I'm still for you  
Yeah, let me know what you want though, I'm still for you

If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded  
If you love it, then I like it  
Know you trippin', I been poppin' lately  
If you love it, then I like it  
I don't hate, you know a nigga ain't faded

Poppin' lately, baby  
Nigga ain't faded, nigga ain't faded  
Nigga ain't faded, nah, nigga ain't faded  
No, nigga ain't faded  
Would you love me if I don't?  
Is you ridin' if you do?  
It's the only way to win  
I'm playin' by your rules  
Ain't no makin' you happy
