

Good Day

Swoope

(Oye me)
(Ooh, yea)

Ridin with my partna, gotta couple dollas
He got carne asada, I got the horchata
Give thanks to the father, he just say de nada
Had a good day today, do it again mañana

Had a good day. Had a good day today
Had a good day. Had a good day today (ooh)
Give thanks to the father, he just say de nada
Had a good day today, do it again mañana

Do it again tomorrow with my hombre Carlos
Tour bus to Chicago find americanos
Look it up on Yelp foo, call the Uber not the pool
He say mi amigo, I say you my bruddah too

Different lands but this is my man, ain't no way around it
Fifty grand plus fifty grand, that's the way to count it
Many man say we immigrants, I'm just a little browner
But if the land is the Indians, then we all outta towners

Tennis ball keep the circle small, not too many round us
Gotta crew and they absolute, I don't mean the vodka
Blood thicker than aqua, brothers different fathers
And we get the job done, diversity hire

Ridin with my partna, gotta couple dollas
He got carne asada, I got the horchata
Give thanks to the father, he just say de nada
Had a good day today, do it again mañana
