

Shining Down

Swoope

When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain no, the sun's shining down on me, yeah
All right, right
When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain no, the sun's shining down on me, yeah
All right, right, right

First I'd like to thank my Lord and Savior
Take some time out just to tell you, Lord, I'm grateful
For the small things I overlook from day to day
Like going to the shop to get my taper straight, and it ain't no wait
Yeah, gotta count the little blessings
Ordered ten wings, baby gave a lil' extra, woo, woo
And you know they honey lemon pepper
Little extra sauce, on top, said God bless ya
In a dream world, I'd've got Chance on the record
Doing my Pharrell, doing happy dance on the record
Sunday morning singing, boy, I need Rance on the record
Sunday morning dressing, yeah I need ranch on the record
Ready for that blessing, going Fred Ham, on the record
Get the Holy Ghost to go and put His Hands on the record
You know he's on fire, NBA Jam for the record
Sending praises higher, this is who I am, for the record

When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain no, the sun's shining down on me, yeah
All right, right
When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain, Lord, Your Son's shining down on me, yeah
All right

Lemme, lemme, lemme tell you what I feel like
Head up to the sky
Know I'm gon' be alright, right, right
Long as I got your light, shinin' down on me, yeah
All right
Lemme, lemme, lemme tell you what I feel like
Head up to the sky
Know I'm gon' be alright, right, right
Long as I got your light, shinin' down on me, yeah
All right, right

It's okay homie, everybody have a bad day
Tank on e, and the bank overdraft, dang
Gotta couple of dollars in my ash tray
Take 'em out the ash tray, put 'em in your gas tank
Don't know why I worry, what I got is what I have
And it's more than undeserved, so I gotta give my dad thanks
I ain't finna wait until the day about the Saturday
Wake up, call me Jacob, and I'm climbin' up the ladder, ayy
Got a van member when I used to need a ride
Black man pulled over, but I'm still alive
Pulled off, then I pulled up with my people, and we poe'd up

Raise up your solo cups, celebratin' that glow up
Yeah, grandma ye, but I still love God though
Fams gon' hate, but I still love y'all though
Can't complain when I'm livin' this life, yo
And it's a gift from God so

When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain no, the sun's shining down on me, yeah
All right, right
When the rain fall, it's all right, right
When the pain come, it's all right
I can't complain, Lord, Your Son's shining down on me, yeah
All right

Lemme, lemme, lemme tell you what I feel like
Head up to the sky
Know I'm gon' be alright, right, right
Long as I got your light, shinin' down on me, yeah
All right
Lemme, lemme, lemme tell you what I feel like
Head up to the sky
Know I'm gon' be alright, right, right
Long as I got your light, shinin' down on me, yeah
All right, right

I feel like (it's gon' be)
It's gon' be alright (it's gon' be alright)
Cause I got your light (shining down on me)
Shining down, down on me
I feel like (it's gon' be)
It's gon' be alright (alright)
Cause I got your light (shining down on me)
Shining down, down on me
Rain falls (rain falls)
Pain comes (pain comes)
I'll be alright (I'll be alright)
If Your light is shining
Rain falls (rain falls)
Pain comes (pain comes)
I'll be alright (I'll be alright)
If Your light is shining (listen to me, Jesus)

Rain falls (rain falls)
Pain comes (pain comes)

Just shine, just shine, son
That's what I want you to do, just shine
